

## Vitosha Mountains & "Cherni vryh" Peak

**Description:** Sofia is situated at the foothills of Vitosha Mountain. Being also the oldest Nature Park on the Balkan Peninsula, Vitosha has two nature reserves. Millions of tourists visit it to discover and admire its inspiring landscape, flora and fauna. After transfer to Dragalevtsi we take the chair lift to "Goli vryh" Peak. Then we head through the plateau area of Vitosha Mountains, heading to "Cherni vryh" Peak (2290 m a.s.l.). There we make a short rest trying the local tea, produced from many species of fragrant mountain herbs. Then we turn back.

**Trek duration (walking only):** 4 hours

**Best period:** June-October

**Price is total for up to 8 ppl** and includes private transfer by bus to the lift station and guidance throughout the trip; the price excludes meals/drinks, lift tickets and other things of personal use.
